TANGENTIAL KNIFE FOR KISS CUTTING VINYL, CARD, PAPER ETC.

OSCILLATING KNIFE FOR FOAM BOARD, COREX ETC.

3HP ROUTER FOR TIMBER, FOAMEX, ACRYLIC, DIBOND ETC.

The background of the entire page is an abstract composition of broad, expressive brushstrokes. On the left side, there are large, textured strokes of a muted teal or seafoam green color. These transition into a series of vertical and diagonal strokes in a dusty rose or light red hue that cover the right half of the image. The overall effect is painterly and artistic, with visible texture and varying intensities of the colors.

PAINT:

3M X 6M FULLY EQUIPED SPRAY BOOTH AND OVEN.
