CREATE / MAKE / FREIGHT

HELLO. We are C Colour.

Here at CCLR we have always had all eyes on every part of the project, right from when we started as a two man print manufacturer in 2006.

The CCLR team now have over eighty years worth of invaluable combined experience in the industry and because of that, can offer the very best services in Design, Account & Project Management, Print & Prop Manufacture, Logistics & Installation.

Our 10,000 Sq ft of creative space in Luton aptly named 'The Home Of Big Ideas' is committed to delivering the highest standard of work to our clients regardless of size or budget.

Our home specialises in carpentry, printing, metalwork, vacforming, fabrication and spraying, giving our clients a broad scope of production methods with every brief.

We take great pride in creating exceptional bespoke and multi store roll out retail windows, instore displays and experiences, along with exhibitions, event spaces and promotions for brands worldwide.
